# WHAT'S

## AUTOMOTIVE MANUFACTURING MEETINGS MADRID?

AMM Madrid is a supply chain event that brings together automotive makers, tier suppliers and contract-manufacturers. Engineering, procurement, supply chain, fabrication, commodity teams, suppliers and service providers will meet through pre-arranged one-on-one meetings.

Maria Helena ANTOLIN,  
SERNAUTO President

“ Spanish suppliers of automotive parts hold a technological leadership position due to their strong commitment to R&D and internationalization. Their consolidated experience in the supply chain integration led them to be strategic partners of automobile manufacturers worldwide.

**This event will provide a meeting point for the supply chain automotive companies, with B2B meetings to interact with relevant contacts to promote successful business relationships.**

In addition, it will contribute to enhance Spain's position in the innovation & technology hubs ranking in the global automotive industry. ”

## WHY SPAIN?

### Spain

is the 2<sup>nd</sup> largest manufacturer of automobiles in Europe and the 9<sup>th</sup> largest manufacturer worldwide

### 17 manufacturing

plants installed in Spanish territory

### 1<sup>st</sup> European

manufacturer of industrial vehicles

### 1 000 companies

manufacturing components and equipment in the industry supply chain

### The leading

automotive brands are established in Spain

### 83%

of the vehicles manufactured in Spain are exported to over 100 countries
